EDDY, BETHANY AND GIO COMMIT TO GREENS PROTECTING FINSBURY PARK

Bethany, Gio and Eddy have been working hard in Stroud Green to ensure the management of Finsbury Park prioritises residents

Finsbury Park is a vital escape for residents, especially those without gardens.

Gio, Eddy and Bethany will protect the park for nature and play, moving away from loud, damaging commercial events in favour of smaller community festivals. The trio have also committed to work with the council and residents to make sure everybody feels safe in the park, day and night.

The Greens will protect the Parkland Walk nature reserve and our local street trees and hold the profit-hungry rubbish collection companies to account to ensure our streets are kept clean.

Stroud Green deserves better housing, safer streets and greener spaces — and councillors who will truly listen.

The team will also advocate for better support for homeless residents. We want a greener, fairer community where residents' voices – not corporate interests – drive every local decision.

BETHANY, GIO & EDDY'S TOP PRIORITIES:

At the local elections on Thursday 7th May, you can vote for Bethany, Gio and Eddy for more year-round hard work.
